

## **6 HOLES SHORT MODIFIED** **MAXIMUM HANDICAP 20 BOYS & 24 GIRLS**

The 6-hole course is a modified length identified by flag markers as follows:

Par 5 – 220m Par 4 – 180m Par 3 -Front tee markers

**N.T. P.** is 2<sup>nd</sup> shot on a hole up to 130 m and 3<sup>rd</sup> shot if over 130 m. Separate pins for boys and girls but may be on the same hole.

**Pace of Play:** The round of 6 holes is to be completed in not more than 90 minutes. To assist with pace of play, players should putt out on the green, not mark and wait for other players.

All the Rules of Golf and local rules apply, including counting all airswings, with the following exceptions:

**1. Maximum score per hole is 10.** Players may have up to 6 shots on the fairway. If they have not made it to the within 2 club lengths of the green, then they must pick their ball up and place it on the green at the point furthest from the hole, and then they are playing shot 7. When the player has played his/her 10 shots, they are to pick up their golf ball and move on to the next hole.

If a player has played their 6<sup>th</sup> shot and they are within 2 club lengths of the green, they may putt onto the green, but this will count as a putt within the 4 putts limit.

**2. Bunkers.** One shot is to be attempted out of the sand bunkers; if unsuccessful they are to have a drop to the side of the bunker no nearer the hole, **adding 1 penalty stroke to the score.**

**3. Penalty Areas:** A player only attempts to cross a penalty area with one shot. If they go in the water, they should drop a ball on the other side of the penalty area, **adding 1 penalty stroke to their score.**

**4. Preferred lie:** the ball may be placed on a preferred lie, within one card length and no nearer the hole, in the general area of the course.

**5. Practice Swings;** to encourage the flow of the game, once at their ball and able to play, players should limit to **one practice swing** prior to each shot.

**6. Adult supervision:** All players under the age of 12 years should be accompanied by a responsible adult.

**NOTE:** Players are encouraged to play 9 holes when they can play a 6-hole round in 37 shots or less for 3 consecutive rounds.
