Foreword

It could be said that tradition is the foundation and backbone of every sporting body, and this applies even more so to our wonderful game. The enormous success of the senior golfing movement in the Glasshouse area is indeed testament to the vision and foresight of the founders of "The Glasshouse Mountains Senior Golfers Association."

When first mooted in 1979, not many would have envisaged the changes to our game and the outstanding success of senior golf which today enjoys the largest growth area in the game. Senior golfers make up in excess of 60% of the golfing fraternity throughout the nation, a number that is steadily increasing. Unfortunately, the same cannot be said of the game's nursery, where conversely, junior numbers are dwindling at an alarming rate. How good would it be if senior golfers could instil their love of our game into their grand-children?

I congratulate the current zone senior president, Mr Greg Paul, for making the time and effort in recording the history of the association.

Congratulations also must go to the many office bearers who have given freely of their time and experience in many ways over the past 35 years . This has contributed greatly to building what we enjoy today.

However, the major ingredient which has made such a success of the senior golfing movement has been the support and cheerful camaraderie of all senior golfers whose involvement over the years has resulted in the happy family in golf that we all enjoy so much today. Long may it reign.

John Martin

Past President (GHMZGA)

GHMZSGA PRESIDENT'S COMMENTS FOR THE HISTORICAL COLLECTION

This is a continuation of what Mr Alan Himstedt wrote on the history of the zone seniors up to the year 2000. I would like to thank Alan for his foresight in documenting this early work for our zone.

I am very happy to be in this position where I can help further in promoting senior golf in our zone. I hope this historical collection will inform our senior members how much time and effort was put in by the past executive and delegates commencing in 1979 and their wonderful work continues on today.

I would like to thank the Glasshouse Mountains Golf Zone executive and Sunshine Coast and South Burnett District Golf Association for all their help and guidance over the many years. Thanks to all our zone clubs for their courses and facilities for our zone players when we attend their venues for our competition and pennant days.

Congratulations to all our championship winners since 1979 and hope that our members today can look back with interest on the past winners.

To all, I wish you good health and good golfing and keep on enjoying the camaraderie with all our zone players and may the friendships you make in golf last forever.

Greg Paul (Past President GHMZSGA)

The Glasshouse Mountains Zone Seniors Golf Association thanks all the clubs and their club professionals for helping out our association into now our 44th year and we hope for its continuance for many more years to come.

3 people have had a major contribution into this historical document.

- a. The initial collection of the history up till 2000 was compiled by Alan Himstedt. Without his diligence this document may never have seen the light of day.
- b. Greg Paul, whose has been obsessive with his determination to put together all records and have them available for the generations of golfers in the future.
- c. The long serving secretary who worked with Greg and is responsible for the final compilation of this document.

It should be noted that as of 2020 Greg and Ian had collectively served the Association for more than 20 years so hopefully the records are complete and accurate.

CHANGE TO OUR ASSOCIATION'S NAME

Up to around 2009 our Association was known as The Glasshouse Mountains Zone Senior and Veterans Association. We were asked to drop the word “veterans” from our Assoc. The reasons for this change were several Zone clubs are affiliated with The Australian Veterans Association and Golf Australia implemented the categories of Masters (50-54), Seniors (55-59) and Super Seniors (60 and over) ie no Veterans group. To save confusion among our clubs then word “veterans” was dropped from the name and the Association to be known as the Glasshouse Mountains Zone Senior Golfers’ Association.

In 2019 the Glasshouse Mountains Golf Zone changed its logo and this logo is now used by all sections of the Zone.

THE ASSOCIATION AT ITS INCEPTION

THE GLASSHOUSE MOUNTAIN ZONE SENIOR AND VETERAN GOLFERS ASSOCIATION

Many thanks go to Alan Himstedt for putting together this historical background up to the year of 2000 and to all those who have had an input to this record

HISTORICAL BACKGROUND

My thanks for their knowledge, co-operation and background are extended to Eric Willett, Les Swyny and Colin Scott, as well as to those of their friends and associates who contributed to these records.

ORIGIN:

The concept for a separate competition for the senior and veteran golfers of the Glasshouse Mountains Zone, arose from Committee meetings of the Zone during 1979. At that time, Zone competition days were programmed only for those courses with 18 holes in play. There existed in the Zone, a number of “smaller” courses – those with only 9 holes in play – and there was perceived by some of the members of the Zone Board at the time, that there was bias towards the bigger clubs. To offset this and to provide a means of drawing much needed funds from the golfing fraternity of the Zone, Les Swyny who was captain of Pine Rivers at the time, proposed that there be established a nine-hole competition within the Zone. The attraction of this style of competition was seen by the ever increasing numbers of older golfers in the Zone and it was therefore decided to set up this nine-hole competition on the basis of its being for senior and veteran golfers exclusively. The proposal was supported in the first instance by those delegates representing Pine Rivers, Kilcoy, Wantima, Bribie and Beerwah, although eligibility to play in these events was open to all club players 50 years and over and handicapped within the Glasshouse Mountains Zone.

FIRST COMMITTEE:

Eric Willett, from Beerwah Club became the first President and Eric Krisanski from Woodford the first Secretary. Club delegates were: Ken Griffiths (Caboolture), Clarrie Acton (Bribie Island) J.D. Smith (Caloundra), Les Swyny (Pine Rivers) and J. Tosh (Wantima). In the history of the Association, there have only been six Presidents. Eric Willett has served two terms, Eric Krisanski, Tom Grice (Bribie Island), Eddie Boudette (Pine Rivers) and John Dillon (Wantima) each serving terms of varying duration.

FIRST COMPETITION:

The first competition was conducted at Kilcoy on March 26th, 1979 with subsequent matches at Pine Rivers (April 9), Wantima (April 23), Bribie (May 14) and Beerwah (May 28). All games were held on a Monday, starting approximately at 11.00am. The first field for the Kilcoy game numbered 35 players – all male. The championship was determined by totaling the best three gross scores returned out of the five possible. Up to and including 1990, Caloundra Club participated in the competitions as a member of this Zone. My records do not show exactly when or why the Club ceased to be a

participating member, but there is no mention of Caloundra Club in the planning or rosters from 1991 onwards.

PLAYING CONDITIONS:

Even in those times, there was no constitution drawn up and no bank account in operation. A simple set of playing conditions was decided upon and the responsibility for running the day lay with the host Club. Fees were set at \$3.00 per player of which \$1.00 went in green fees to the host Club, 75 cents competition fee went to the host Club, 25 cents were set aside for Zone trophies and \$1.00 was allocated for "lunch". Much of the earlier catering for these events was carried out by willing bands of volunteer ladies, whose mouth-watering delights are fondly remembered by those early members. 35 members contested the first event at Kilcoy and, even then, the ladies were offered no part in the actual competition. For the first two years of operation, their role was seen to act as drivers so that their menfolk could enjoy fellowship after the game. It was only later on that they were permitted to play their own 9-hole competition at the end of the men's field.

KEN GRIFFITHS SHIELD:

As a further incentive to involve ladies in the official Zone competition, it was agreed to include a Mixed Four Ball fixture in the 1982 programme. Ken Griffiths donated a shield for the event and the first such competition was conducted at Woodford on Monday, 25.07.82 with a large and competitive field vying to be the first names on the Ken Griffiths Shield. That honour went to May Hassum and Harry Whitbread from Pine Rivers Club. Following on Ken's untimely death in 1986, The Committee decided that the trophy should be known as the Ken Griffiths Memorial Shield and that it should be contested over two consecutive rounds, played at different venues. Such is the esteem in which this shield is held by members, it has been seen to be appropriate to roster the competition rounds so that all Clubs host, at least, one of the rounds within a ten year period.

ERIC WILLETT SHIELD:

To compliment the competition for a 4BBB Mixed championship, a competition for a Medley 4BBB Stableford was introduced in 1997. The competition was to be for the Eric Willett Shield in honour of the man who was one of the founding members, its first President and still a strong supporter of the Association. It is equally prestigious with the mixed event and playing conditions are the same for both shields.

PLAYING FEES:

Interestingly enough, Nomination Fees in 1979 were set at \$3.00. The fee increased to \$4.00 in 1980 and then increased to \$6.00 in 1982. It remained at this figure until Zone Board levy charges lifted the cost to \$7.00 in 2000. Further implementation of the controversial GST then set the fee at \$7.70, where it currently remains (at the time these records went to press).

In 2015 competition fees were \$13.00 per player and have risen to \$16 in 2020 and remains as is in 2023

The Association has created a new seniors' Pennant shield. Thanks to Billy Joel from the Pine Rivers Golf Club for this beautifully finished Australian timber trophy.

Congratulations to all these winning Zone teams who have played and won these matches with great sportsmanship and camaraderie. Good luck to all the participating teams in the future years.

30 YEARS ANNIVERSARY AT KILCOY

On 26th March 2009, thirty years after the Zone's first game at Kilcoy Golf Club, an anniversary game was organized at Kilcoy to celebrate the occasion. The competition was run in two parts with morning and afternoon fields.

There were many donated trophies on hand for the players with the best scores. A perpetual shield was inaugurated by GHMZSGA for the best score of the day and was won by John Partridge from Pacific Harbour. The shield is now played for every year in March at Kilcoy.

The day was well organized by both the Kilcoy Golf Club and our Glasshouse Mountains Senior's executive. Many thanks go to Kevin Taylor for his time and effort which helped make the day a huge success. Many thanks go to the Kilcoy Club for a successful and enjoyable day of golf.

KILCOY ANNIVERSARY SHIELD

Started on 26th March 2009 to celebrate the 30th Anniversary of the date of the inaugural match of the Glasshouse Mountains Seniors played at Kilcoy on the 26th March 1979.

Additional Notes and Bits and Pieces from the past.

In early 1979 Les Swyny, captain of Pine Rivers golf Club proposed that a 9 Hole competition be set up to support the smaller courses in the Glasshouse Mountains Zone. The proposal was well supported by the older golfers and subsequently the Seniors Association was set up to administer the game for golfers over 50 within the Glasshouse Golf Zone. To this day the Senior's Association is unique – no other Golf Zone in Australia has a dedicated autonomous sub-committee to look after the interests of senior golfers.

Pine Rivers Golf Club has had a vital involvement in the administration of Seniors golf.

- Reg Jepperson served as Secretary from 1984 to 1987.
- Eddie Boudette served as President from 1995 to 1999.
- Alan Himstedt was twice Secretary – In 1998 and then from 2000 to 2006.
- Trevor Hawkins had one year as Secretary in 2007
- Ian Good has been Secretary from 2011 to the present.

The first event was held at Kilcoy Golf Club on March 25, 1979. To celebrate 40 years of Seniors Golf a special day will be held at Kilcoy on March 26. There is great interest in the event and it looks like we will have full fields for both morning and afternoon events.

On the club front our greens have all been cored. What an effort getting 18 holes plus the putting green and the new practice green all done in one day. Thanks go to the Senior volunteers and the very fit young man driving the coring machine. The sanding of the greens took place on Wednesday and so the greens will be a bit rough while the greens recover. The slight discomfort will result in much better greens in the near future.

Seniors celebrate club anniversary

■ Fore ... Peter Buck, of Bribie Island, Brian Martin, of Wantima, Bill McMaster, of Caboolture, Ross Evans, of Pacific Harbour, Alan Norman of Beerwah, Greg Paul, of Bribie Island, Peter Carmichael, of Caboolture, and John Stephens, of Woodford about to hit off at Bribie Island in the region's Senior Golf Competition.

NORTHERN Brisbane's biggest senior golf association will celebrate its 30th birthday on March 23.

The Glasshouse Mountains Zone Seniors' Golf

Association will mark the special day with celebrations at Kilcoy on March 23.

Coincidentally, Kilcoy hosted the organisation's inaugural game on March

26, 1979, almost 30 years to the day exactly.

Eight clubs – Caboolture, Woodford, Bribie Island, Pacific Harbour, Kilcoy, Pine Rivers, Wantima and Beerwah –

make up the Glasshouse Mountains Zone competition, which started the 2009 season with a single stableford round at Bribie Island on Monday.

Teams from each club

will meet 18 times during the year. Men must be 50 and over to join, and women 45 and over.
